**RIWALOIL CHAIN SPRAY**  
**PRODUCT DATA SHEET**  
**GRADES AVAILABLE – RIWALOIL CHAIN SPRAY**

**DESCRIPTION**

RIWALOIL CHAIN SPRAY is blended with structurally modified base stock blended with synergistic additive system for outstanding detergency, dispersancy characteristics, anti-wear and antioxidant properties, high viscosity index and low temperature flow properties. This delicately balanced composition provides and exceeds tough industry performance standards thus ensuring reliability, emission control, economy and endurance.

**APPLICATION**

RIWALOIL CHAIN SPRAY is recommended for BIKES CHAINS

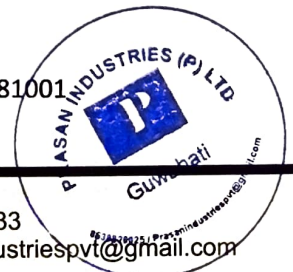

**PERFORMANCE BENEFITS**

- ✓ Selected synthetic base stocks impart inherent low temperature pumpability and excellent evaporation control in high speed, high temperature operation.
- ✓ Formulated with highly shear stable viscosity index modifiers which ensure viscosity control over extreme temperatures.
